Applicability: These instructions apply to any industry whose Industrial User Discharge Permit Attachment B, Self Monitoring and Reporting Requirements, includes "Certify no industrial through CHT". To report compliance with this requirement, the following statement must be submitted, signed as required in the permit under STANDARD CONDITIONS, Signatory Requirements.

CHT CERTIFICATION STATEMENT

Based on my management of operations at the permitted facility, or my inquiry of the person or persons so managing, I certify that to the best of my knowledge and belief, no industrial waste has been discharged to sewer through the CHT system during the reporting period. I am aware of the potential for significant penalties for submission of false information, including the possibility of fines and imprisonment for knowing violations.
